Additional Information

I will mail you or email you a map with your location in the School Gym or Lawn after September 1 and before September 5th. This year the Craft Fair will be open to public from 8:00 a.m. to 6 p.m. on Friday and Saturday then on Sunday 8:00 to 12. I will unlock on Saturday and Sunday mornings at 7:30 a.m. so Vendors can get in and be ready by 8:00.

For setting up I will have the building open on Thursday, September 23 from 9 am to 8 pm; from 9 am to 2 pm I will try to have high school students around to help unload and carry in as there is one flight of stairs (there is an elevator there, but it is not designed for freight). Students have other obligations after 2 so you will be responsible for unloading yourselves after 2pm. If you cannot be there and unloaded by 8pm, I will open up at 7am on Friday morning so you may set up. No outdoor vendors can set up before Thursday morning at 9am.

If you request electricity you will need at least a 25 ft heavy duty extension cord.

Any questions please email me at ssmith@mlmh.net. You can leave me a message or text my phone but I work two jobs and will not have my phone with me most of the time. Sandy: 620-886-0087
