**TRAPPINGS & TRADE SHOW AT THE
KANSAS CHAMPIONSHIP RANCH RODEO
& PEACE TREATY BULLS & BRONCS**

September 24-25-26, 2021

The Peace Treaty Pageant is a grand scale reenactment that takes place each afternoon in a natural amphitheater.

The intertribal powwow gives spectators the opportunity to learn more about the history of Native Americans by witnessing a centuries-old tradition.

On Friday, ranch rodeo teams are invited to compete in events much like day work on the ranch with thrilling action featuring calf branding, team penning, wild cow milking and more. Saturday night features Bulls & Broncs. Dances are held both nights.

Don't miss the live melodrama that tells the story of the Medicine Valley Bank robbery on Friday night. Can-can girls and gun-slinging cowboys will take you back to the late 1800s.

The 2021 festival features parades on Saturday & Sunday morning on Main Street. Bring a lawn chair and ear protection!
